

From 50 to 60 – Vision for the Year 2018

“No Child Left Inside”

Wind

Blowing God’s Spirit into the lives of people calls us to:

- Increase offerings of summer camps; including senior high and more affordable opportunities
- Create targeted mid-year retreats for children and youth, including leadership development focus
- Expand ministry with pastors and leaders via Metamorphosis

Earth

Cultivating Redwood Glen’s land and buildings while being good stewards leads to:

- Renovation of Moore and Brookside cabins plus all 22 Siden guest rooms.
- Retirement of the mortgage
- Expansion by purchasing adjoining private property

Our Ten-Year Vision:

*“No Child Left Inside—
Connecting lower income children and youth
with Christ through Creation”*

Our Staff Value:

“Reflecting Christ through Serving Others”

Our Purpose:

“To transform individuals and communities, locally and globally, by providing varied opportunities to study, experience, and know creation and Creator.”

Fire

Igniting a passion for Redwood Glen’s ministry results in an increase of support through:

- Volunteerism—for program, guest groups, work projects
- Increasing number of financial donors
- Amount of annual, major, and planned financial gifts

Water

Pouring resources into long-term water solutions in order to:

- Find a long-term solution to “water out” septic needs with County approval and support
- Repair swimming pool and long-term maintenance including adding solar heating panels
- Secure necessary potable water for year-round staff and guests
