With the exception of 206, all rooms come with two full beds, a separate shower, toilet, and sink area. Each room features a sliding door that opens up to a second floor balcony or ground level deck.

SIDEN CONFERENCE CENTER (entrance/upper/second level)

The lower first floor level of Siden Conference Center with rooms 101-111 has a similar lay out as the upper level. Downstairs between rooms 105 and 106 is the Siden kitchen and dining room which opens up to a first floor deck. There are public restrooms on the lower level, along with a public phone, ice and drink vending machine. Upstairs in the meeting room, there is a hot water/coffee station, microwave, sink, and small refrigerator.
