## Redwood Glen Program Camp Discounts and Fees

### Discounts:

#### *Early Bird Discount*

\$10 – The Early Bird Discount is applied automatically to your registration when you register online prior to May 15<sup>th</sup>. When registering through paper form, the Early Bird Discount must be checked, and the registration must be post-marked no later than May 15<sup>th</sup> to qualify.

#### *Full-Payment Discount*

\$10 – When registering online, you will receive an option to pay just the deposit at the time of registration or to make full payment, which will have the full-payment discount factored in. When registering through paper form, you will need to check this option and include payment in the form of check or credit card information (a section of the registration form is dedicated to this) for the full amount.

#### *Sibling Discount*

\$10 – This discount is applicable if you have a sibling attending a Redwood Glen program camp in the same summer. Each/all siblings may take advantage of this discount, but it can only be applied *once* to each camper. When registering, select this option, as well as filling in the name of the sibling and the camp they will be attending.

#### *Bring-A-Friend Discount*

\$50 – This discount is available *only* for campers who have attended a Redwood Glen program camp in the past. It can be applied to an individual camper's registration up to a maximum of 2 times (for a total discount of \$100) and can *only* be used for friends who will be attending the same camp as the camper claiming the discount. When registering, select how many friends will be brought and include their name(s). If anyone listed as a friend does not actually attend the camp listed, Redwood Glen reserves the right to seek payment for the additional \$50 per friend.

#### *First-Timer Discount*

\$50 – This discount is available to campers who are registering for the first time for a Redwood Glen camp. You cannot qualify for this discount and the Bring-A-Friend Discount – they are mutually exclusive.

## **Fees:**

### ***Deposit***

A \$50 deposit at the time of registering is required to secure a spot. A registration is not complete until full payment is received; but the deposit, along with a complete and accurate registration, will secure your spot until full payment is received. The deposit is non-refundable – it goes to cover the costs we incur handling the registration.

However, the deposit is transferable if:

- The deposit is transferred prior to May 15<sup>th</sup>, and
- It is transferred to the same camper for a different camp in the same calendar year, or
- It is transferred to a different camper, not already registered, for a camp in the same calendar year.

### ***Paper Registration Processing Fee***

A \$10 fee is applied to all paper registrations received (the Full Camp Price listed on the paper registration form reflects this \$10 fee). This is intended to help us mitigate the additional costs associated with processing a paper registration form.

### ***Late Fee***

There are no late fees.

### ***What our program fees cover:***

- Our program fees go to cover all the various costs associated with putting on a week long program camp. Your fees go to paying for:
- Good food and the staff to prepare that food
- Having places to sleep and eat and meet
- Keeping those places in good repair
- Your t-shirt
- Your camp photo
- Your memories disk (filled with photos from the week)
- All the various props and equipment used in our rec activities, crafts, programmed games, etc.
- All the paperwork we do just to produce a week of camp
- The program staff that put the entire week of camp together for you
- And many other associated costs
