60th Anniversary - Bring a New Friend Discount

Do you love camp? Share it with a friend. Our theme this year is “It Only Takes a Spark” from Jesus’ Sermon on the Mount. You could be the one to ignite your friends’ faith. A week of camp is a perfect opportunity for you to share your faith with those you care about. And, in honor of our 60th anniversary, we are offering two ways to earn \$60 off your registration this year that can make that much easier for you:

1. If you have been to a Redwood Glen program camp in previous years, bring a friend that has never been to Redwood Glen, to the same camp you are attending, and receive \$60 off!
2. I’m the friend! If this will be your first summer to attend a Redwood Glen program camp and a friend is bringing you to attend camp with them, you will receive \$60 off too!

Unfortunately, this is a limited-time offer – since we won’t be able to offer this every year – so be sure to take advantage of this discount. We look forward to sharing this week with you and your friends, and being a light in this world; a city on a hill with you.
